“ Brett C. Leilani was great at helping us understand the process of purchasing our first home - whenever we had questions she had accurate and thorough answers. We were able to view homes quickly and around our schedule. She was great at negotiating the final offer and making sure to find solutions when new challenges popped up along the way. She is incredibly knowledgeable about the Cleveland real estate market and knows what important details to pay attention to when viewing a home and picking a neighborhood. We would definitely work with her again - I am confident that we got a fantastic deal on a beautiful first home.

“ Howard H. I would highly recommend Leilani Bowersock as the best real estate agent for anyone who is looking for a home in the Greater Cleveland area! My wife and I bought our first rental property. While we own our home, buying a rental property presented some challenges that we were not ready for. During the search process, we were getting discouraged, and viewed many properties. Leilani was extremely responsive to our needs, returned calls quickly and accommodated our viewing schedules. When we found the home we wanted to invest in, and she was a master negotiator! Leilani encouraged us to ask for certain repairs that were reasonable in nature, and the sellers agreed. She told us about things like including the rental deposit and first-month rent the tenant paid into the agreement. She was truly instrumental in helping us close the deal. She also has an engaging personality. She was extremely responsive to all of our needs--even when we had to adjust the agreement and there was a delay with the closing. She never seemed frustrated; she made the changes and kept us informed throughout the entire process. We are pleased to recommend Leilani Bowersock to anyone looking to buy or sell a home!

“ Steve V. I met Leilani in late winter, early spring while looking for a great deal on a fixer-upper. I told her what I was looking for and we looked at many, many homes. For one reason or another, each wasn't 'the house'. She kept at it, and with homes going quick it wasn't an easy pace. Come summer, I finally found the one I wanted. She worked hard at getting the deal done, and I am thrilled with the house and the location. Excellent to work with, great personality as well. She will work hard for you.

“ Hamid T. I started investing in the Cleveland market two years ago. I am from California and working in long-distance with a good agent who can help you finding the right property and provide good information is very essential. In the beginning, it was very challenging working with several agents until I was introduced to Leilani. She is absolutely one of the best Real Estate agents I have ever worked with. She is very quick in giving the information, checking out the property and providing you with the best advice on your investment journey. She is simply one of the best agents in Cleveland market

“ David J.It took me over a year to sell my house in Shaker heights using 4 different agents! My 4th one was Leilani. My wonderful property manager, Lisa Novak recommended Leilani to me and assured me she was top notch! Within the first three days of signing up with Leilani she found me a buyer and 27 days latter we closed the deal & I received my \$\$\$. She also was able to get me a better price than any of the others by ~ 8k! I live in the Seattle area so had to completely rely on My R.E. ladies with boots on the ground to help me through this most difficult time. My house wasn't an easy sell as it's very old and needed a lot of rehab and repairs going in. We had some challenges with the loan folks to make sure the house passed inspections which took some extra time but other wise everything went as planned due to her expertise! Thanks so much Leilani for making me and my wife whole again!!
